HOW TO PLAY

- ★ By working the lever, players move the "Lady Bug" and wipe out all dots on the course.
- ★ Don't let the "Lady Bug" be eaten by the "enemy" – predatory insects (lucanus, longicorn, anti-lion and rearhorse) that chase the "Lady Bug" around the screen. Use the turnstile to allow the "Lady Bug" to dodge the "enemy".
- ★ The predatory "enemy" insects cannot turn the turnstile.
- ★ When the "Lady Bug" hits the scull mark or is eaten up by an "enemy" insect, it disappears.
- ★ When players lose all the "Lady Bugs", the game is over.
